Dersin Amaçları:
The aim of this course is to enable students to use English more confidently, fluently, and accurately in basic communication situations they may encounter in everyday life.
It is intended that students develop their listening, speaking, reading, and writing skills at an A2+ level, expand their range of vocabulary, reinforce and apply fundamental grammar structures, and communicate effectively on a variety of familiar topics.

Ders İçeriği:
The course aims to develop all four language skills—listening, speaking, reading, and writing—at the targeted A2 level in a balanced way through the use of fundamental grammar structures, functional vocabulary, pronunciation practice, short dialogues, listening and speaking activities, level-appropriate reading passages and guided writing exercises. The course content covers personal information and possessions, work and daily routines, people and relationships, leisure activities, weather and travel, clothes and shopping, homes, and cities.

Öğretim Yöntem ve Teknikleri: Presentation, question-and-answer, dialogue building, writing exercises, interactive online activities.
