Answer questions 43-50 according to the text.

Text 1

My name is Jeff. I was born three years later than my older brother, Jesse. He was born in 1972. Jesse was born in London. Then, my family moved to Manchester. They wanted to move to Paris, but they didn't have enough money for this. Before I was born, they moved again to Birmingham so I was born in Birmingham. We went to the same primary school. In the first year of the school, we both had seven classes. Only one class was different at my time. Later, I was alone in secondary school, high school and at university.

43. When was Jeff's brother born?

- a) in 1972 c) in 1969
- b) in 1975 d) in 1973

44. Where **didn't** the family live?

- a) in Paris c) in Birmingham
- b) in London d) in Manchester

45. How many classes were **the same** in Jeff's and Jesse's primary school?

- a) seven c) six
- b) one d) three

46. Where didn't Jesse leave Jeff alone?

- a) in primary school
- b) at university
- c) in high school
- d) in secondary school

Text 2

Julia has worked in this company since she was nineteen years old. She is forty-one now. She always says she doesn't like her job much. Her boss discusses her problems with her husband at the workplace very often so Julia wants to find a new job. In these days, she is looking for a job on the internet, on the newspapers and outside. She says she has had six interviews this week. Only two of them said they would call her but none of them has called her yet so she starts to think she will stay in this company forever.

47. How long has Julia worked for her company?
